What an opportunity... You must see this immaculate 4 bedroom , 3 1/2 bath home situated on 8.74 gorgeous acres. The home was custom built by the owners and nothing was left out. Some of the many features include, beautiful main level master suite with awesome bath, large great room, formal dining room, large open kitchen and breakfast area. The additional bedrooms along with a separate den are located on the second floor which allows great space for the entire family. there is a full unfinished basement which will allow for two car parking and tones of storage and a craft room. In addition to all of this, there is a three car detached garage with unfinished area above that could easily be converted to livable area, office or studio. The land is gently rolling and includes a 32 x 36 barn, spring fed pond and a stream. An absolutely unbelievable piece of Real Estate in a super convenient location. A must to see.
